14 Summary and Conclusions  
*Dr. Barry Schneider and Mr. Patrick Ellis*.....408

Contributors.....436

## Acknowledgements

We thank Bonita Harris and Christy Trutt for their great work in processing and copy editing support in creating this book, and the contractor team at Northrop Grumman led by Michelle Spencer for securing access to seven of the key contributors of this volume. Thanks also go to Susan Fair, illustrator for the Air Force Research Institute, for the wonderful book cover, and to Technical Sergeant Wesley Powell for helping to coordinate the publishing of this book. Finally, we want to thank Headquarters Air Force, Office of Strategic Deterrence and Nuclear Integration, HQAF/A10, for their funding and support of this project.
